11th Annual Park Golf Open
Benefit for Logan McKenzie

Why: **Logan needs our help.** Logan was born on February 8th, 2024, with an extremely rare genetic disease: Tubulinopathy TUBa1a to be exact. There are only 200 known cases. We, at DPG, decided to raise money to assist in the financial burden situations like this can cause. In the future, we can look at raising money for a cure, as we have in the past with our fundraisers. Please help us help the McKenzie family. They are HUGE supporters of park golf and of our past efforts for the National Ataxia Foundation.

Donations in addition to the raffles and play will also be graciously accepted. 50/50, Basket Raffle, Large Ticket Items, Gift Card Board
