

Friends and Business Associates;

June 1, 2024

We are excited to announce the 11th Annual Destroyer Park Golf Open on Saturday August 10th. This year we will be raising funds to help a family in need. Logan McKenzie was born on Feb. 8th with an extremely rare genetic disease. He has Tubulinopathy; his variant is TUBa1a. As his young parents juggle the health crisis with their first born, we want to help ease the financial burden. Logan is STILL in the hospital. Please help us help them.

In years past we have raised between \$6000 - \$8000 for the National Ataxia Foundation. **Our goal for Logan is \$10,000.**

Sponsorship opportunities are listed below. *We are also looking for raffle items and gift cards.*

What is Tubulinopathy?

Tubulinopathy is a rare genetic disease. The condition is 1 in a million with only 200 known cases. Tubulin proteins play a role in brain development. Mutations in the tubulin genes affect patients with brain malformations. The clinical features of tubulinopathies include motor delay, intellectual disabilities, epilepsy, global delays and other deficits. Although he was unable to breathe on his own at birth, his lungs are strengthening. He had diaphragmatic Plication surgery done to help stitch down his paralyzed diaphragm and give his lungs room to expand. Most recently, Logan had a tracheostomy and a feeding tube put in. Although he has a long road ahead of him, these recent surgeries are getting him closer to going home!

Please help.

God Bless you, Kris and Chris

SPONSORSHIP:

- HOLE _____ \$500 Hole sponsor (includes up to 6 players) (email logo to Kris) *If you plan to have players, please include the registration form with your sponsorship!*
- GOLD _____ \$300
- SILVER _____ \$200
